170 built in stitches, including 3 alphabets	Top loading full rotary hook bobbin system
10 one-step buttonholes	7-piece feed dog with SFS+
Sewing speed: up to 1,000 stitches per minute	Auto tension system
Automatic thread cutter	Start/stop button
Detachable AcuFeed™ Flex system	Locking stitch button
7 foot pressure adjustment settings	Twin needle guard
Extra high presser foot lift	Snap-on presser feet
Adjustable knee lifter	Speed control slider
Built-in, one-hand needle threader	Convertible free arm
One-step needle plate conversion	Auto-declutch bobbin winder
Straight stitch needle plate with 3 positions (L/M/R)	Double accessory compartments plus upper storage
Easy set bobbin and bobbin winder	Buttonhole with stabiliser plate for thick fabric

The Convertible Free Motion Quilting Foot set supplied with this model includes a closed-toe foot, open-toe foot and clear view foot, allowing you to take your quilting creativity to the next level.

AcuFeed Flex™
Fabric Feeding System*

Dual upper feed detaches when not in use.
*Twin foot standard. Single foot optional.

SFS+ with 7-Piece Feed Dog

Smooth, precise feeding of a variety of fabrics without slipping or shifting.

9mm stitch width

More than 25% larger than a regular 7mm stitch. This now allows you to have bigger, bolder, more beautiful decorative stitches.

One-step needle plate conversion

You don't need a screwdriver to change the needle plate from Standard to Straight Stitch. Now the needle plate just pops off with the push of a lever for a quick needle plate switch.
